

Tent Cleaning Procedures

It is important that the tent is clean and dry before being returned to the trailer.

1. Be sure there is no trash in the tent
2. Wipe off any mud or dirt that is in or on the tent
3. Hang the tent and fly to dry in a basement, garage, or outside (weather permitting)
4. Please return the tent to the troop at the next Scout meeting

Please let us know if the tent is ripped, zippers are broken, or if there are any missing pieces.
