

Troop 21 Summer Camp 2024

Troop 21 will attend summer camp **June 30 – July 6, 2024** at S-F Scout Ranch. S-F Scout Ranch is located 80 miles south of St. Louis near Farmington, MO. We will camp on **Morie** campsite at **Camp Gamble**. For those not familiar with what Scout camp has to offer, here is a summary

- Wayfinder Program to help new Scouts learn valuable skills, complete a variety of tenderfoot, second class and first class requirements
- Over 35 merit badges offered ranging from Mammal Study to Lifesaving and Canoeing
- Fun Troop activities like recreational riflery, archery, canoeing and mile swim
- Order of the Arrow ceremony Thursday night
- A memorable time to be had by all!

I am thrilled that Katie Ciorba will return as the lead adult at camp this year. We need additional adults to support our scouts. Ideally, we would love parents to stay the week.

Please let Tom Coscia know if you can help!

Each Scout needs:

- A check for **\$417** payable to Troop 21 by **May 30**. (Note: You can save \$20 (**\$397**) if your payment is turned in or mailed to Tom Coscia by **April 10**. (647A Sugar Trail Court, St. Peters, MO 63376) Scholarships or delaying payment is an option, contact Tom Coscia. Note: The sooner you pay in full, the sooner you can sign up for merit badges. Some merit badges fill-up early. You can also pay online on the troop website using Venmo or you can use your credit card for an additional fee. Fee jumps to **\$427** on June 1.
- A BSA medical form signed by a doctor **in the last year**. Note: The camp requires that the doctor signs off on the BSA form. The doctor's own form will not be accepted. BSA medical forms are on the troop website. www.Troop21clayton.org
- Once you have paid for camp, let Tom know your camp schedule after checking [HERE](#).
- Attendance for both parents and Scouts at a summer camp orientation meeting on June 18 at 7 pm. at Wydown. We will answer any questions you may have.

We hope your Scout can attend. **Tom Coscia, (C) 314-780-3021**
