

Troop 21 Summer Camp 2026

Troop 21 will attend summer camp **July 5 –11, 2026** at S-F Scout Ranch. S-F Scout Ranch is located 80 miles south of St. Louis near Farmington, MO. We will camp on **Morie** campsite at **Camp Gamble**. Note our location from 2 years ago! For those not familiar with what Scout camp has to offer, here is a summary

- Wayfinder Program to help new Scouts learn valuable skills, complete a variety of tenderfoot, second class and First Class requirements
- Over 35 merit badges offered ranging from Mammal Study to Lifesaving and Canoeing
- Fun Troop activities like recreational riflery, archery, canoeing and mile swim
- Order of the Arrow ceremony Thursday night
- A memorable time to be had by all!

I am thrilled that John Harrison will return as the lead adult at camp this year. He will be assisted by Rob Brockhaus. We need additional adults to support our scouts. Ideally, we would love parents to stay the week.

Please let Tom Coscia know if you can help!

Each Scout needs:
